

2022 ANNUAL IMPROVEMENT PLAN

Vision

Sophia College is a faith-filled learning community called to walk gently on the earth with creation.

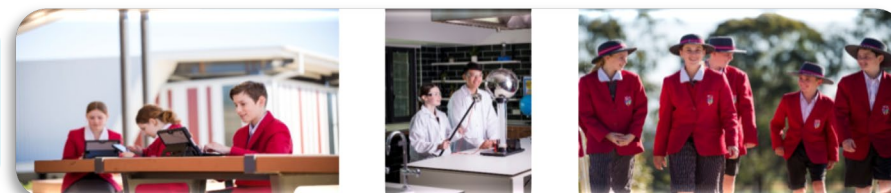

Mission

Our Mission is to nurture life-long learning. Our Living Stones are Learning, Integral Ecology, Faith and Engagement.

Values

Wisdom
Respect and Joy for learning and prayer.

Love
Peace and Hope through relationships.

Strategic priority	Goal (Improvement area)	Strategic priority	Goal (Improvement area)
Catholic identity	<p>Catholic Perspectives</p> <p>Explicit, intentional embedding of Catholic Perspectives across curriculum areas.</p>	Learning and teaching	<p>Subject integration</p> <p>The development of a whole-college curriculum plan including opportunities for subject integrations is a priority with emphasis on curriculum mapping of cross-curricular skills of literacy and numeracy, higher-order thinking skills and other general capabilities.</p>
Learning and teaching	<p>Professional Collaboration</p> <p>Implement the BCE Model of Pedagogy so that there is clarity and agreement of the College's expectations for classroom teaching practices.</p> <p>Sophia College will be a Professional Learning Community (PLC) of leaders and teachers who model, observe and provide feedback on effective pedagogical practice to ensure precision, consistency of delivery and continuous improvement of high expectations for learning.</p>		<p>Data</p> <p>The College will develop a data plan to ensure a more strategic approach to the use of data sets to inform school-level decisions, interventions and initiatives.</p>
		Engagement	<p>Sport and Cultural Groups</p> <p>Sophia College is committed to developing learning opportunities through sport and cultural activities and competitions.</p>
