

# ANNUAL IMPROVEMENT PLAN

## Vision

Sophia College is a faith-filled learning community called to walk gently on the earth with creation.

## Mission

Our Mission is to nurture life-long learning. Our Living Stones are Learning, Integral Ecology, Faith, and Engagement.

## Values

Wisdom

Love

### Catholic identity

Build upon the College's commitment to Laudato Si' through the lens of our College values.

### Organisational Effectiveness

Effective Middle Leadership structure that responds to student needs, supports staff pedagogical approaches and engages with parents that maximizes student outcomes.

### Our People

Develop community capacity and preparedness for the senior curriculum and to encourage a deeper sense of purpose and understanding regarding the purpose of schooling.

### Learning

To continue to developing staff capacity through engagement in WriteUp! to strategically embed literacy practices across the curriculum to enable students to experience growth in their reading, comprehension and writing skills.
